The internationally acclaimed singer and composer Eliza G revives the magic of the 90s with NINETY. An ambitious, elegant and evocative discographical project, which will be presented live as well.

The idea behind it is straightforward in its complexity. It is about taking a trip down memory lane, bringing back the hits of the decade in a totally innovative style. It proposes unusual arrangements which encompass Electronic pop, Swing, Bossa Nova, Samba, Rock, Reggae and Acoustic notes.

The 10-track album "Ninety" is a well balanced and refined musical mix. To be launched after the summer, it includes the most popular hits by the boy and girl bands who marked a decade, such as the Spice Girls, the Backstreet Boys, TLC, Destiny's Child, The Cardigans, No Doubt and many more.

«And when the stars are shining brightly in the velvet sky, I'll make a wish
send it to heaven then make you want to cry The tears of joy for all the
pleasure and the certainty.»

(Savage Garden).

«I'm giving you everything
All that joy can bring, this I swear”

(Spice Girls)

"If you took it there First of all, let me say
I am not the one To sit around, and be played"

(Destiny's Child)

«You are my fire The one desire
Believe when I say I want it that way”

(Backstreet Boys)
